

Healthy Pet Club

Budget Monthly for your routine pet care and Save Money

Our **Healthy Pet Club**  has been designed to allow you to spread the cost of your pet's routine health care throughout the year with 12 easy affordable payments. As well as the convenience of budgeting monthly our plan includes discounts on further preventive veterinary care.

Your monthly **Healthy Pet Club**  payment includes:

- **An annual physical examination and health check** with your preferred vet.
- **Annual Booster Vaccination**
Dogs – Distemper, Parvovirus, Hepatitis, Leptospirosis and Parainfluenza
Cats – Feline Enteritis, Feline Flu and Leukaemia
- **A six monthly Health Check** with your vet to help keep your pet in tip top condition.
- **Year Round Worm Control**
An effective treatment programme for roundworm, tapeworm and others. Small palatable Milbemax tablets for dogs and Profender spot-on treatment for cats.
- **Flea Prevention**
A convenient monthly Advantage spot-on treatment for year round control.

In addition, our **Healthy Pet Club**  offers a range of discounts on other preventive health care services including:

- Neutering
- Microchips
- Dental Care. De-scale and polish, extraction etc
- Additional vaccinations. Eg Kennel Cough
- Additional routine parasite prevention. Eg. Ticks
