

## Cubbington Surgery

Here's some extra information about our Cubbington Surgery to help you plan your visit

This is the exterior of the surgery, there's a small carpark outside.

The entrance is through the white doors.

The reception desk is straight ahead. When you arrive let the receptionist know who you are and tell them your animal's name.

Here's the waiting area. When it's your turn the vet or nurse will call you in.

This is the consult room. The vet or nurse will stand on the side nearest to the computer and you can stand on opposite side. After the consultation has finished the vet will open the door and show you back to the reception desk.
